[faqs]

Q How much does a degree cost and what do I get?

A. BA/BS \$299, MA/MS \$349, EMBA \$399, PhD \$499 which includes the diploma and complete transcript.

Q. Tell me about your school's accreditation?

A. Trinity Southern is privately accredited by the NAPLAC. We don't recommend this program for individuals seeking to attend a traditional graduate school, teachers or educators, or those who wish to obtain state certification. NAPLAC accreditation is best suited for private sector employment.

Q. Is this the same as regular colleges accreditation?

A. No. Non-traditional colleges do not have the same regional accreditation that standard 4 year universities do. Trinity Southern University is a non-traditional college, however, it is acceptable for most individuals seeking employment in the private sector.

Q. How does this process work?

A. Students fill out an assessment that list their prior work and education experience. The more information provided, the easier it is to grant a degree. We also encourage students to fax resumes, transcripts and other certificates to 208-474-1477. To determine acceptance we use a complex mathematical algorithm to award a numerical score to each application, with this score the registrars then manually review the information and evaluate it qualitatively. Essentially this process is used to help us determine if a student has the same functional knowledge in their field as someone with a college degree.

Q. Will this degree be accepted by everyone?

A. A Trinity Southern University degree works for 99% of its graduates, however, it is not appropriate for people in the public education field or those who wish to use the degree to attend a traditional graduate program. We do not recommend this degree for individuals either employed or seeking employment as a state employee in Oregon and New Jersey.

Q. Can I get a degree in Law, Medicine, or Nursing?

A. No. we do not issue degrees in these fields.

Q. If I have a TSU degree how can I later obtain a Master's or PhD degree?

A. Many of our students return to TSU to obtain an advanced degree after gaining additional experience and/or training in their field(s).

Q. How do employers verify I have a degree, other than the diploma?

A. Trinity provides free degree verification by fax with a signed request by the student.

Q. What do the diplomas and transcripts look like?

[SAMPLE DIPLOMA](#)

[SAMPLE TRANSCRIPT](#)

Q. Do you provide a transcript with the degree?

A. No. It is optional for a \$99 fee as it is not required for most students.

Q. What will my transcript contain?

A. Your transcript will show the required courses for the particular degree at Trinity you have qualified for including basic electives. A bachelor's degree will reflect 115-120 credit hours, master's degree and Ph.d. degrees will reflect 36-48 credit hours. You will receive a grade for each course and a cumulative GPA based upon your level of experience in the particular field.

Q. Where are you located and what will be on my degree?

A. Trinity is located at 5729 Lebanon Dr., Suite 144-120, Dallas, Texas 75034. Your degree will state that it is from Dallas, Texas.

Q. Is this a scam?

A. Absolutely not. We accept credit cards and in fact we have a "no-questions-asked" 30 day guarantee that if you are not pleased you can return the degree and receive a refund less shipping and a printing fee of \$39.

Q. Are you associated with any religious organization? Do you claim any any association with a 'church'?

A. No. See "[about us](#)" for more information.
